ISSUE:

Authorization to purchase two new vehicles for use by the Maintenance Division of the Parks Department.

SYNOPSIS:

This resolution authorizes the purchase of two (2) 2009 Ford F350 trucks from Ken Garff Ford as shown on the attached documentation.

BACKGROUND:

The City has selected Ken Garff Ford as the supplier for two (2) Ford F350 trucks for use by the Maintenance Division of the Parks Department. Ken Garff Ford holds the State contract to supply this vehicle make and model.

These two vehicles are an addition to the fleet and will be used by two new Parks Department employees. The Fleet Manager met with the department and it was determined that 2009 Ford F350 trucks would be the most efficient vehicles for their intended purposes.

RECOMMENDATION:

Approve purchase of two (2) 2009 Ford F350 trucks for use by the Maintenance Division of the Parks Department.
